

## RIDE

*(Your character is riding a roller coaster and not liking it at all. These are the thoughts that are going through your character's mind. NOTE: For this monologue, you should be sitting in a chair. Make sure to use your body to show when the coaster is going up and when it's going down.)*

*(Going up.)*

Omigod, omigod, omigod, omigod. I don't know why I ever got on this thing. I hate roller coasters. I've always hated roller coasters. I should never have listened to what Chris said. Whoa – here come's the top and – AAAAGH!

*(Going down fast.)*

How is this fun? This is not fun. This is no fun at all. AAAAGH!

*(Going up.)*

Omigod, omigod, omigod, omigod, we're going up again. And we're going higher. And we're going higher. Why don't they have a stop in the middle of this thing to let people out? That would be a good idea. They should have – AAAAGH!

*(Going down fast.)*

Just hold on. Just hold on. Just hold on. AAAAGH! WE'RE ALL GONNA DIE!

*(Leveling off.)*

OK, OK, OK, we're slowing down. We're on the ground. We're slowing down. We're stopping. Yes. Yes. Yes. It's over.

*(To a friend in the coaster next to you.)*

What? Yeah, really fun. Let's go home.
