

# CANDY

*(Your character is at the counter at a corner store.)*

Two Snicker Bars, please.

*(Taking out the money and putting it on the counter.)*

Here you go . . . What? . . . *How* much? . . . It was like fifty cents less yesterday . . . Well, I don't have it. Can I pay you tomorrow? . . . Are you kidding me? I'm in here almost every day. I'm probably your best customer. You should be paying *me!* . . . I am NOT raising my voice . . . No, I'm not! NO, I'M NOT! . . . Fine. Keep the Snicker Bars. I don't even like them anyway.

*(Walk all the way to the door of the candy store. Just at the door, look back, think a moment or two, then go back to the counter.)*

One Snicker Bar, please.

*(Pay for the Snickers, take it, open it and take a bite.)*

Mmmm.
